The “Carita M” organizer insert, made of fine leather, offers a custom-fit, modular storage solution for interchangeable circular knitting needles in medium sizes 6 through 9, including cable ends and accessories.

- **Custom-designed needle storage:** Specially graduated compartments for needle sizes 6 through 9 provide a secure hold for each needle without constricting or bending them.
- **Part of the modular Carita system:** Complements the Carita D (small sizes) and Carita L (large sizes) inserts perfectly to form a flexible, complete system for your entire needle collection.
- **Integrated zipper compartment:** A practical compartment in the upper section for cable needles, stoppers, or other small knitting accessories.
- **A system built for the future:** Easily expands as your needle collection grows and keeps all your tools for your next project immediately within reach.
- **High-quality craftsmanship:** Elegant leather front combined with a durable and easy-to-clean Polydrill lining.
