The flat “Oslo Cable” cable organizer, made of fine leather, offers a well-organized, numbered storage solution for interchangeable circular knitting needle cables in lengths ranging from 40 to 150 cm.

- **Structured length organization:** Individually numbered compartments for cable lengths of 40, 50, 60, 80, 100, 120, and 150 cm ensure you can find what you need instantly, without a long search or tangles.
- **Well-thought-out two-zone design:** A separate section at the front for shorter cables and a spacious rear compartment specifically for longer circular needle cables.
- **Ultra-slim profile:** With a depth of just 0.5 cm, the case can be stowed away in any project bag or Carita folder without taking up much space.
- **Perfect system complement:** It serves as the ideal counterpart to the Carita and Oslo collections and rounds out needle storage with a well-thought-out cord management system.
- **High-quality material combination:** Crafted from the finest leather, combined with a durable, easy-care Polydrill lining.
