The compact “Oslo Mini” needle case, made of fine leather, offers a custom-fit, space-saving storage solution for interchangeable circular knitting needles in sizes 2.5 to 15, including cable ends and accessories.

- **Complete needle organization:** Custom-fit, gradually widening compartments provide optimal support and excellent visibility for fine to thick circular knitting needles (sizes 2.5 to 15).
- **Everything at a glance:** Thanks to the upright, clearly visible arrangement, every needle size can be found effortlessly and quickly put back in its place.
- **Convenient back pocket:** A spacious pocket on the back for secure storage of cable needles and essential small knitting accessories.
- **Compact & travel-friendly:** Thanks to its handy dimensions, it fits easily into any project bag and combines perfectly with the Oslo Cable Case and the Carita System.
- **High-Quality Material Combination:** Durable leather construction combined with a hard-wearing, easy-care Polydrill lining.
