Material: 75% Wolle/25% Polyamid
Length: ca. 400 m

Giving away hand-knitted socks: Whether for Christmas or a birthday, these personal gifts are simply perfect, even these days! With the best-selling Fjord Socks yarn, you'll definitely be on trend. Thanks to its special dyeing process, a single ball of yarn creates a beautiful, trendy Norwegian pattern.

It's that simple, no need to mix different colors while knitting. The yarn is also very soft, making it a pleasure to knit with.
