Joker 8 by Pro Lana brings a lot of joy! This cotton yarn is easy to crochet and knit with. The colors and gradients are bold and colorful, and it's great fun to crochet potholders with it.
These homemade utensils are sure to keep your hands safe from burning on hot pots and also provide a visual highlight and bold splash of color in the kitchen. Of course, you can also use the cotton yarn to make great dishcloths, cute souvenirs like amigurumi figures, crocheted coasters, poinsettias, and more.
