Set of popular crochet accessories
For more fun and relaxation when crocheting: The Prym crochet accessories set essentials is ideal for beginners or as a gift for a crochet enthusiast. Add a crochet hook and some suitable wool, and you’re all set for your next crochet project. Whether it’s amigurumi or granny squares, the crochet tools in the Prym accessory set will help bring all your crochet ideas to life.

Accessory set for easier counting, marking and weaving in ends
The handy tools in the crochet accessories set essentials help with counting, marking, weaving in ends and finishing off projects. The rotally and the 20 stitch markers in metallic shades make it easier to keep track of rows and mark pattern sections, increases and decreases. Three wool needles in different sizes allow you to weave in the ends once your crochet project is complete. And the small pair of scissors cuts wool precisely.
