12 months - 12 different balls of yarn with a fantastic degradé color gradient. This is how the Year Socks yarn from Woolly Hugs presents itself. There is gift packaging on the inside of the sleeve so that you can easily give away the socks you have knitted yourself. With Year Socks, everyone in the family gets their own sock color based on their birthday month. You can also use the wick yarn to knit or crochet strikingly beautiful shawls, scarves, stoles, sweaters or ponchos in a trendy degradé look.
