Product information

Item measurement: 2.00 - 4,50 mm

This favourite set for sock knitters is a winner on sustainability. These needles are made from coated sustainable wood and delivered in a cotton pouch. The set includes seven different double-pointed knitting needles, so regular knitters will really achieve value with this set. The needles are ideal for socks, gloves, woolly hats and even larger knitting projects. An exceptionally smooth surface allows the stitching to glide effortlessly over the needles. The points are perfectly formed to make light work of inserting the needles. The double-pointed knitting needles are 20 cm long and the set contains sizes 2.0, 2.5, 3.0, 3.5, 4.0 and 4.5 mm. The sets of needles are well organised in the storage pouch, rolled-up it can be securely stored without needing much space. The colour combination pale pink and beige works perfectly with the classy dark brown wooden needles. Knitting accessories like needle gauge, stitch stopper, rotally or cable-stitch needles can be stowed in the interior zip pocket – perfectly practical both for home or out and about.
